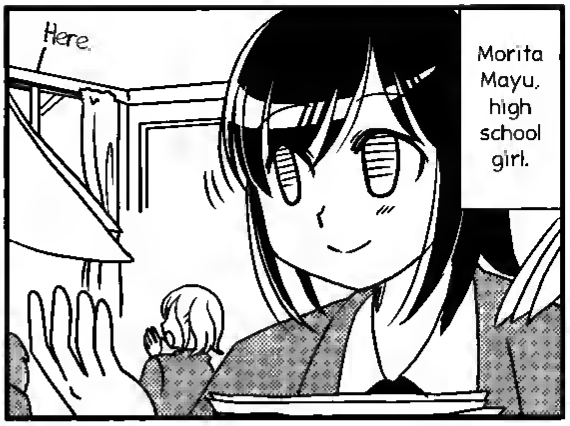
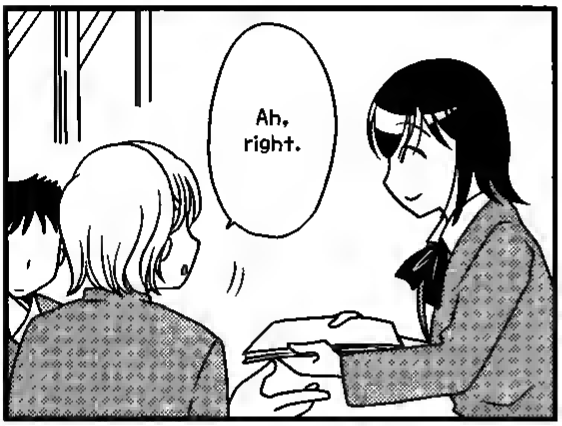
"How thoughtful," they might say.



Here.
Morita Mayu, high school girl.



Ah, right.

It'll be easier for the others if I sort it.
Ah.
Rustle
Rustle

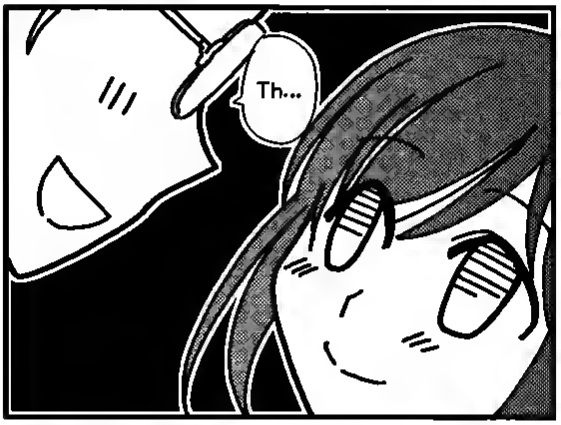
Silence 94

A bit quieter than most people
...
You done with your group yet?
Gathering papers sucks

Thought-fulness is...
Her mother taught her a lot.
...
She's not quiet on purpose.
After you do something for someone, don't think about getting something back.
About not wanting something in return.
Dear, your collar
I just did it 'cause whatever.
ponder
I don't really mind
Kiss
Thanks.
I just kind of imagined it...
But maybe I'd get a thanks
Embarrassing
Ah, sorry, force of habit
Dear, not in front of Mayu
Uhm, this is...
More grooming than being thoughtful
No idea
What's up with her?
No, but it's not like they asked me to.
She just thinks and agonizes a lot.
Squirm

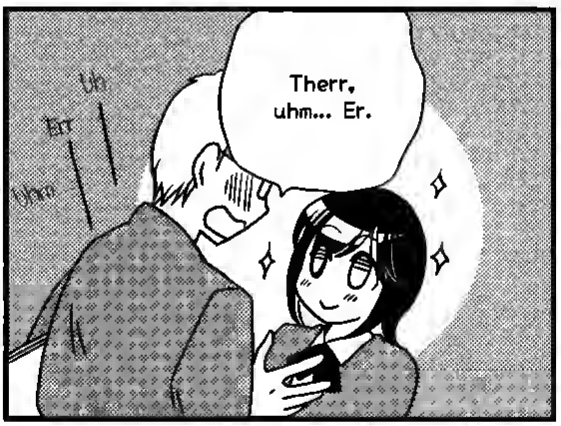
Oh! You're done.
But... I still want a little recognition

But...
Sizzle...



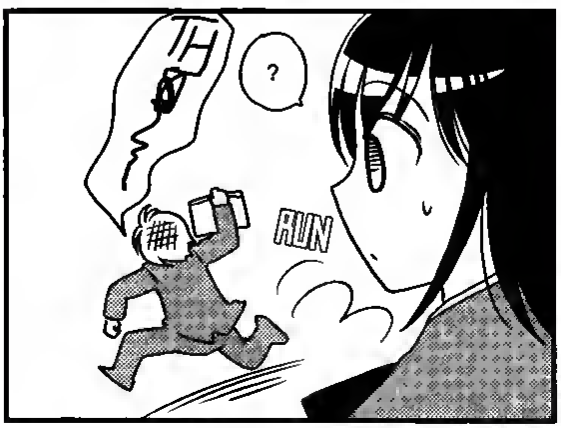
Th...

Thinking, 'this would make them happy,'
or, 'this is proper,' doing things with those feelings...

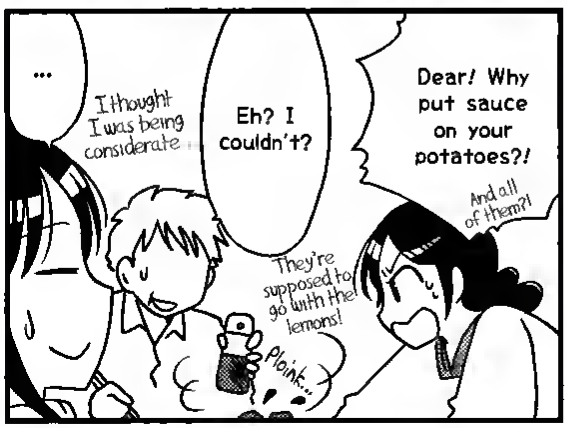


Therr, uhm... Er.
Uh
Err
Hehe

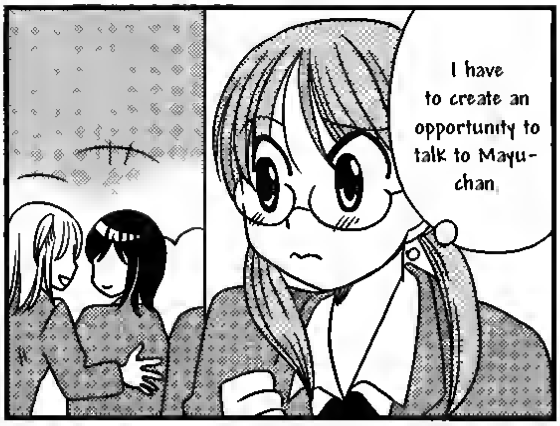
Is a wonderful thing.
Serve this on a dish.



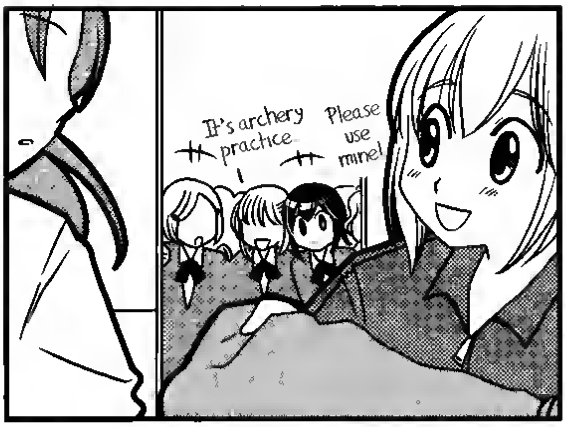
Th
?
RUN



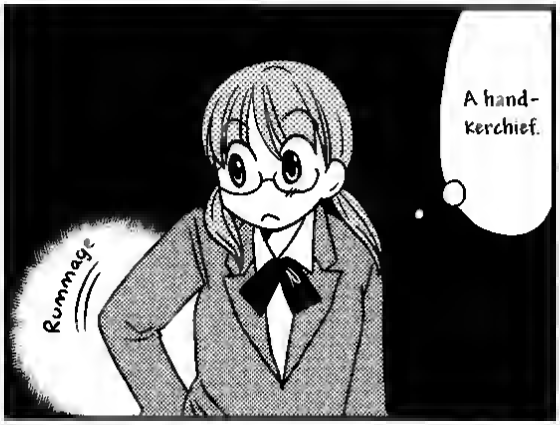
...
I thought I was being considerate
Eh? I couldn't?
Dear! Why put sauce on your potatoes?!
And all of them?!
They're supposed to go with the lemons!
Plonk...



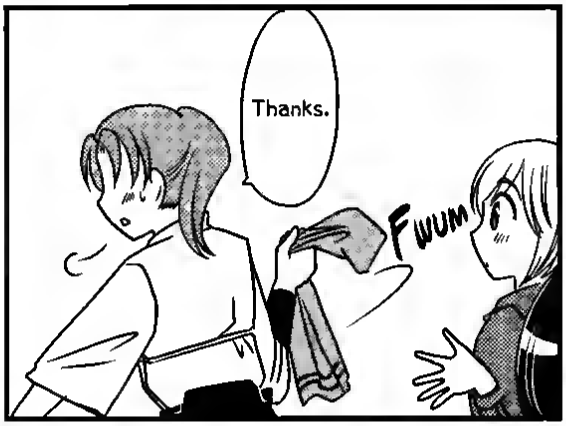
I have to create an opportunity to talk to Mayu-chan.



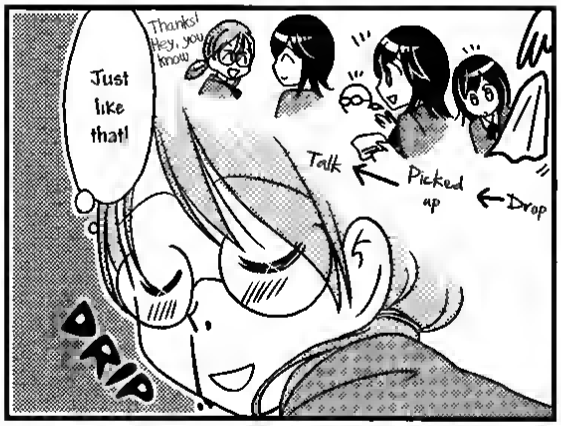
It's archery practice.
Please use mine!



A hand-kerchief.
Rummage

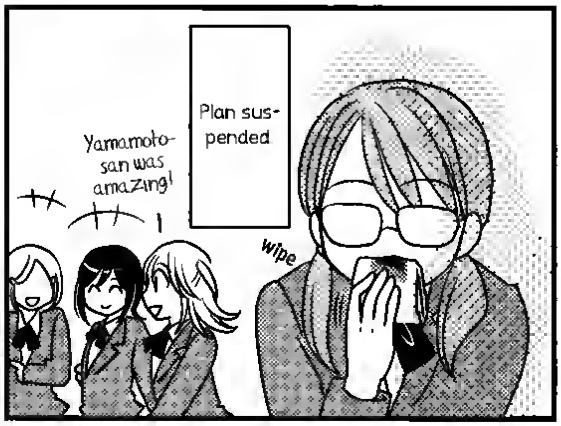


Thanks.
FWUM

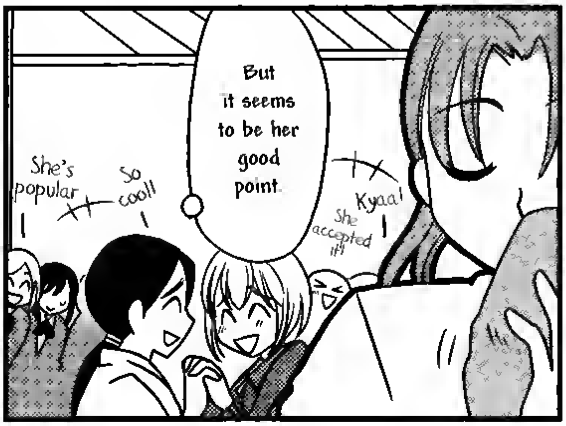


Just like that!
Thanks! Hey, you know
Talk
Picked up
Drop
DRIP

Yamamoto-san sure is direct.



Yamamoto-san was amazing!
Plan sus-pended
wipe



She's popular
So cool!
But it seems to be her good point.
Kyaa! She accepted it!

Ah, he took the heavier one. I should say thanks
There we go
This is difficult
Hm?
Move in
And it's not like what I'm doing is important
Rattle
Thanks isn't something you can force
Th-
But Mom told me to do it
Pass
Step
It may not even get noticed
I gotta get going! Take your time with that!
...
I... I forgot to say it myself!

Why did I have to be so concerned about it...?
I have to say thanks.
I can't let that be the end of it.
Ah, you brought mine, too?
Fussing about a thank you...
It's unbecoming
When you wash the floor you gotta take your jacket off.
It's cold...
Run
I could kiss you!
Thank you, Mayu! Thank you! I love you!
HUU
UUG
Thank you!
Appear
Thanks!
Thanks!
C'mon, let's finish cleaning!
Maybe it's because of her...!
He's blushing and fell
What did Morita just tell you?
Phew!
